I have lived on Kauai for the last thirty-two of my fifty-two years. I have been self-employed in the surfboard industry and surf forecasting for almost thirty of those years.

I have been married to my wife, Sharon, for twenty-four years. We have two sons, Corbin who is fifteen and Keegan who is twelve. I have lived in Kekaha for over twenty-five years and am living in the house that my wife and I, with the help of family and friends, built 13 years ago.

My experiences as a community activist have given me opportunities to meet and work with politicians, community members, organizations, and business representatives. I have actively participated as a public individual on numerous issues such as the Kauai General Plan, the 2025 State Harbors Division Plan for Port Allen, and the Statewide Historic Preservation Plan for the State of Hawaii. Over the last five years I have been presenting my ideas and solutions to agenda items at the County Planning Commission and the County Council.

The hands on experience that I have had in the governmental process has giving me the confidence that I could represent the people of Kauai on the County Council.
